

Affidavit of Dorothy Beasley

State of Alaska)
) ss.
City and Borough of Juneau)

Dorothy Beasley, being first duly sworn upon oath, deposes and states as follows under penalty of perjury:

1. I am over the age of eighteen years, of sound mind, and competent to testify to the following facts based on personal knowledge.
2. On November 10, 2010 at table 10, state worker was very rude to me and also unfriendly. I asked her a question and her reply to me was "you're supposed to already know that!" I received no assistance what-so-ever from her, and her attitude toward me made me feel intimidated and unworthy of being an observer. We worked together for approximately 2 1/2 hours and each minute spend in her presence was extremely uncomfortable for me. She offered to anyone listening that this was her first year working with ballots. The most awful experience for me was to try to read the ballots, as the writing on the ballots faced the state counters and not me, the observer. I had a pounding headache and also felt like an ignorant person for being afraid to ask her to turn the ballots around to face me. I did not volunteer to observe the ballots again. As I watched the ballot counting on TV at home the next day, I noted that most of the tables had the ballots facing the observers, thank goodness!

Further affiant sayeth naught.

Dated this 17th day of November, 2010 in Juneau, Alaska.
